STRUCTURAL STABILITY CERTIFICATE.

We have undertaken the assignment for **Bhosari Education Society's, Priyadarshani HighSchool near Sandvik colony, Dighi Road, Bhosari-39.** to carry out the detailed visual inspection of the Structure.

The Building is Ground + 3 upper floors (i.e: 4 Storey structure).

We certify that the said building seems in satisfactory condition at present for intended use.

This certificate is valid for three years, and detailed Structural Survey must be carried out once in three years interval which is important for the safety and proper performance of structural design.

My responsibility ceases, the moment any addition and /or alteration, damage to the structural frame is caused by accident or by tampering with the geometrical sections of structural members for any purpose whatsoever or due to overloading of the structure, lack of maintenance or any act that is detrimental to the structure as a whole.
